

**Geology Unit Anticipation Guide:**

Name: \_\_\_\_\_

Respond "A" for **AGREE** or "D" for **DISAGREE** to the following statements. Think about an example to back up your choice and be prepared to discuss your choices with your group.

- \_\_\_ The Earth rarely changes.
- \_\_\_ Geology is the study of rocks
- \_\_\_ Mansfield's landscape looks the way that it does because of glaciers.
- \_\_\_ Volcanoes form randomly around the world.
- \_\_\_ The core of the Earth is made of molten rock.
- \_\_\_ The continents fit together like a puzzle.
- \_\_\_ If a person, business or community owns land, they have a right to do whatever they want with it.
- \_\_\_ A river bank with trees on it is more likely to wear away than one without trees.

Write any words or phrases on the lines that are associated or remind you of the Earth.
